How to add a counter to your page

1. Login to Mahara and click the ‘Portfolio’ tab.
2. Open one of your Mahara pages.
3. Highlight and copy the URL that appears at the address bar.
5. Select an ‘Education Web Counter’ that you like.
6. In the ‘Website URL’ field, paste the URL you copied in step 3.
7. Fill in the information in ‘Starting Count’, ‘Email Address’ and ‘Password’.
8. Click ‘Submit’.

9. Copy your counter code.

10. Now go back to the page you have opened in step 2.

11. Press ‘Edit this page’ at the top right hand corner.

12. From the ‘General’ tab, drag a ‘Text box’ to the location you would like to add the counter.

13. Delete the text from the ‘Block Title’ and replace it with ‘Site Counter’.

15. Paste the counter code from step 9 in the ‘HTML Source Editor’.

16. Click ‘Update’ and then ‘Save’.
