How to post a topic in a group forum

1. Make sure that you have already joined a course group in Mahara.

2. Login to Mahara and click the ‘Groups’ tab, select ‘My Group’.

3. Select the course group in which you would like to post a forum topic.

4. Select ‘Forums’. Click the title of the discussion forum.

5. Click the ‘New topic’ button to post a new topic.
6. Fill in all information and then post the topic.
