UNDERSTANDING OUR STUDENTS:

a Sharing Session for Academics and Academic Advisors

Date: 23 September 2011 (Friday)
Time: 12:30 - 1:30 pm
Venue: TV Studio, GE202/2, 2/F, B. Y. Lam Building
Organisers: Teaching and Learning Centre and Student Services Centre
Facilitators: Dr David Kennedy, Director of TLC
Ms Ophelia Tam, Counsellor
Ms Cathryn Yip, Counsellor
Language: English

Apart from the names of our students, how much do we know about them? Where did they come from? What are their backgrounds? Or what are their expectations on us? What can we do if we found that they are in misery and need more than academic help?

This sharing session will:
- present research findings and survey data on our students' profile, backgrounds and learning habits;
- share information about identifying students needing help and the related support provided by the University.

By the end of the sharing, you will be able to:
- describe a range of student profiles;
- describe how you would identify students needing help at an early stage;
- describe the processes required for referral to counseling services;
- list the different developmental programmes for students (e.g. ILP, FYP, etc.).
